

## **2020 Harvest Home Celebration!**

Can you believe it? Fall is here and time for our annual **Harvest Home Celebration to benefit CEA** (Catonsville Emergency Assistance).

October 25th during our worship service, Bonnie Harry, Executive Director of CEA will be sharing the mission and needs of CEA for the upcoming holidays and winter months to kick off our Harvest Home Celebration.

During the month of October, canned foods and fresh foods (potatoes, apples, onions, sweet potatoes, pears, oranges...) can be brought in and dropped off at the church during worship services on Sunday. You can also drop food off to the church during office hours: (usually between 10-4). Please do not leave donations outside unattended.

Other donation options include:

1. Drop food off directly at the CEA office, 25 Bloomsbury Ave, Catonsville, MD Mon-Thurs from 9am-1pm Phone: 410-747-4357
2. You can make a monetary donation on the CEA website: [www.catonsvillehelp.org](http://www.catonsvillehelp.org)
3. You can include a donation to CEA by making a check out to St. John's Grace and marking it for CEA. It will be forwarded.

Your continued generosity, caring and support to help those in need has been great! So far this year you have donated \$910 to the Maryland Food Bank and \$935 in additional donations to CEA along with your donations of canned goods.

***HUNGER KNOWS NO SEASON,***

Thank you,

Connie Heasley
